Platinum Health +

ADVANCED, COMPREHENSIVE
CLINICAL EVALUATION

HEALTH & WELLNESS CHECK

Platinum Health +

Your Advanced Clinical Evaluation

YelloH's most comprehensive health assessment, offering an advanced, holistic view of your wellbeing.

It's designed for individuals who want the fullest picture of their health, with enhanced clinical testing and deeper lifestyle analysis.

It is perfect for:

- Senior leaders and high responsibility roles
- Individuals managing long term health risks
- Anyone wanting a full, proactive health review

What you'll receive:

- Full medical and lifestyle review
- BMI, blood pressure and body composition readings
- Ear examination
- Q risk score (cardiovascular) and peak flow score
- Urinalysis (sugar, protein, infection)
- Blood tests (cholesterol, liver, kidney and thyroid)
- ECG
- Mental Health Score
- A comprehensive clinical report, along with personalised health planning.

Additional tests and private services available on request. See website for details and pricing.
